

# IPhone

1. Enter into APP.Store and search MEYE

2. Open MEYE, add device information. Pay more attention to port information. The port should plus 3 .

Eg. If the device port is 5050, 5053 is the port for iPhone.

The screenshot shows a mobile application interface titled "Device Detail". At the top, there is a blue header bar with a "Back" button on the left and a "Save" button on the right. Below the header, the form contains the following fields:

- Name:** smini
- Address:** 192.168.8.11
- Port:** 5053
- User ID:** admin
- Password:** (empty field)
- Max Channel:** A row of five radio buttons with values 1, 4, 8, 16, and 32. The radio button for "8" is selected, indicated by a blue highlight.

3. After the completion of the device to Add,select device channels real-time preview.
